# ALBERTA PREMIER LEAGUE

Rangers will be entering Alberta Premier League for our second seasons for both a Women's and Men's teams kicking off in Spring 2026

## About:

Alberta Premier League is a semi-professional, standards-based soccer league established to bridge the gap between high-performance youth soccer and professional levels in Alberta. It features both men's and women's divisions, each comprising seven teams as of the 2024 season.

## Sponsorship Opportunities:

- **Brand Visibility:** Sponsors can gain exposure through various league events, matches, and digital platforms, reaching a diverse and engaged audience.
- **Community Engagement:** Aligning with Alberta Premier League allows sponsors to connect with local communities, supporting the development of soccer talent and fostering community spirit.
- **Networking:** Sponsorship provides opportunities to collaborate with other businesses and stakeholders involved in Alberta's soccer ecosystem.

## Media Exposure:

APL has established partnerships to enhance its media presence:

- **Broadcasting:** In March 2024, the league announced an exclusive broadcast partnership with Alberta's Own Media. This collaboration aims to bring live matches and highlights to audiences across the province and beyond, increasing the visibility of league sponsors.
- **Digital Presence:** The league partnered with Final Third Sports Media in December 2024 to enhance its digital footprint. This partnership focuses on expanding the league's reach through social media, live streaming, and other digital platforms, offering sponsors additional avenues for brand exposure.
