IN HOUSE PROGRAM (TRAIN & PLAY) & PLAY VS. OTHER CLUBS PROGRAM (CMSA FESTIVAL)

Both streams offer a quality experience for players and their families. Neither stream is based on ability, but on the needs, interests, and motivations of the child.

The determining factors in evaluating whether to place your child in the Train & Play and Festival streams are the length of the season, the number of contacts per week, and the proximity of their matches.

Play vs. Other Clubs Program will play in CMSA Festival Games at the Flames Community Fields and practice once a week at Coach Hill Fields.

In House Program players will play once a week on a set schedule and can choose between two sites, Coach Hill & Glamorgan.

Both streams can sign up for the Rangers academy sessions on Tuesday evening.

VOLUNTEERING

- To ensure our Young Rangers program runs efficiently we rely on volunteer support to coach each team.
- **Each team will require two parent volunteer coaches to run practices and manage games for the season.**
- Coaches are provided everything they need to be successful including: session plans, equipment, and an item of Rangers gear to wear during their sessions.

*YOUNG RANGERS VOLUNTEERING COACH INITIATIVE

- Registration fees up to \$150 for a volunteer coach's child will be **reimbursed in the form of a credit** at the end of the season; if the coach attends the start-of-season coaches clinic, has all applicable certifications, is available for at least 80% of the season sessions & games and completes all coaching requirements.
- If you are interested in coaching, please indicate during the registration process by clicking the checkbox **in your TeamSnap registration**.

YOUNG RANGERS ACADEMY

- Academy sessions are run by the Rangers technical staff and are designed to develop footwork skills, and a better understanding of the game for the individual.

CMSA GRASSROOTS LEAGUE

- Calgary Minor Soccer Association (CMSA) Grassroots League U7 to U9 is modelled after national best practices and [Canada Soccer Grassroots Standards](#). The league strives to provide children with a developmentally appropriate playing environment that allows expression, creativity, and development to flourish.

GEAR REQUIREMENTS

- Each player will be required to have their own shinpads, size three ball, and appropriate footwear (outdoor soccer cleats or regular runners).
- Jerseys will be provided to each player for the season, which they will be able to keep.
- Required soccer equipment as well as additional club gear is available for purchase at [Kicks Sports North & South Locations](#) (4625 Varsity Dr. NW & 9737 Macleod Trail SW).

PROGRAMMING STANDARDS

- Calgary Rangers have successfully undertaken training and implemented Canada Soccer Grassroots Standards in accordance with the Long-Term Player Development Plan and Preferred Training Model as supported by Alberta Soccer Association.
