INDOOR PROGRAM OVERVIEW

Calgary Rangers Soccer Club is dedicated to providing a safe environment and creating a positive learning atmosphere for players of all ages and abilities. As a club, it is our responsibility to allow players, regardless of ability level, to push themselves to their desired level.

Joining the Calgary Rangers CMSA program is perfect for any aspiring athlete who would like to play on a team. The team atmosphere is a great place to develop social skills, learn vital life skills, and meet lifelong friends. We try to match players with similar potential and commitment levels.

Calgary Rangers teams are traditionally hardworking and well known for being respectful and honourable. These traits are valued by our coaches, technical staff, and club management.

CALGARY RANGERS SOCCER CLUB

VOLUNTEER/TEAM MANAGEMENT FEE

We require our families to volunteer each season. Volunteers are extremely important to the operation of the club and allow us to provide a quality soccer program. We are proud to have an exceptional group of parents committed to helping our club provide their children with the best soccer experience available.

At the time of registration, you will be required to pre-authorize a \$150 Volunteer/Team Management Bond. This bond will be charged unless you volunteer for a club shift or serve as a rostered team official during the season.

Teams that do not have sufficient parent volunteers to coach or manage the team will have their volunteer fees charged, regardless of whether parents on the team have signed up for club shifts.

Teams are primarily volunteer-driven, with the support of the Calgary Rangers Technical Team.

FACILITY FEE

A \$35 facility fee will be added to all registrations to support the long-term goal of building improved training facilities for our players. This fee is dedicated solely to facility development.

Calgary Rangers has secured turf training space at Shane Homes Soccer Dome, Webber Academy Athletic Park, and our new Home Field, ensuring players benefit from high-quality, consistent training environments. With our growing partnership with Webber Academy, we now have a clear vision and plan to one day build our own year-round indoor facility. Every registration, fundraising effort, and sponsorship brings us one step closer to that goal.

Thank you for supporting the future of Rangers soccer.

DEVELOPMENT PLUS+ & DEVELOPMENTAL PROGRAMMING U10-U11

Development vs. Development Plus+

- Both streams offer a high quality experience designed around each child's needs, interests, and motivations, not ability.

Key differences include:

- **Development Plus+:** Citywide division, longer split season, and more weekly contacts.
- **Development:** Regional play, shorter season, and fewer weekly commitments.

In this player first model, placement is based on a child's interest, commitment, and soccer maturity. Calgary Rangers supports equal playing time, rotation through all positions, and no scores or standings in either stream.

Developmental Plus+ Stream

This stream is appropriate for players and families interested in:

Soccer as their primary activity

For players who LOVE Soccer; who are very interested & likely to participate year-round

Longer season, city-wide

For players looking for a longer season and are comfortable with city-wide play

More activity each week

For players looking for increased play/training opportunities within their club environment

Developmental Stream

This stream is appropriate for players and families interested in:

A variety of Sports or activities

For players who may be multi-sport and have a variety of different interests/commitments: looking for 'part-time soccer'

Shorter season, quadrant based

For players looking for a shorter season and want games closer to home

Less activity each week

For players looking for less soccer activity to make time for other interests/family time

RANGERS GOALKEEPING ACADEMY

Goalkeeping is a unique and demanding position, and the Rangers Goalkeeper Academy provides specialized training tailored to the needs of keepers of all ages and skill levels. Our program combines the latest training methods with core foundational techniques to ensure goalkeepers develop strong, well rounded skills.

Led by Jordan Santiago and Summit Goalkeeping, a comprehensive training academy dedicated to enhancing every aspect of the goalkeeper's game, our program offers professional, high quality training in a fun, intense, and supportive environment.

Our mission is to develop Calgary Rangers goalkeepers both on and off the field, building leadership, resilience, and the skills needed to enjoy goalkeeping for life.

U10-U11 DEVELOPMENTAL PLUS+ & U12 T1/2/3 ACADEMY SESSIONS

Development Academy Overview

The Development Academy focuses on building fundamental skills and techniques aligned with weekly themes, key phases, and principles of play.

Each session features stations where coaches guide players through game scenarios (1v1, 2v1, 2v2, etc.), encouraging them to explore solutions and master ball control while developing movement and body awareness.

Sessions start with a 10 minute ball mastery warm up, followed by two 25 minute station rotations.

Development Plus+ Academy players receive age specific sessions aimed at enhancing technical skills and in game decision making.

Please note: For tiers with mandatory additional Academy fees, payment is due by November 15, 2026.

RANGERS SKILLS CENTRE U10-U12

Conditioned Games, Small-Sided Games, and Game-Related Practices

The Skills Centre challenges players to adapt to different constraints, such as pitch size, scoring methods, and opposition numbers, within small-sided games and game-related practices. Each station is designed around the weekly theme, encouraging players to think critically and make their own decisions through guided discovery and problem-solving.

Benefits include:

- Increased ball contact time
- Game-like training scenarios
- Fun and engaging sessions for all players

CMSA U12-U19 LEAGUE

CMSA's U12–U19 leagues offer quality programming tailored to players of all ages, development stages, and commitment levels. Whether experienced or new to the sport, players are welcome to join clubs and continue their soccer journey.

These leagues align with Long-Term Player Development (LTPD) Standards, fitting into Stage 7, Active for Life or Competitive for Life.

When tiering players, it's important to balance skill level and commitment. CMSA recommends considering several factors to ensure appropriate placement.

Tier I & Tier II Considerations

This stream is appropriate for players and families interested in:

More developed players

For players who are more experienced and developed in the game of soccer

Year-round soccer participation

For players who are more likely to play year-round and/or have soccer as their primary activity

Increased weekly commitment

For families committed to 3 or more soccer activities each week (training and a match)

Tier III & Tier IV Considerations

This stream is appropriate for players and families interested in:

More entry-level players

For recreational players and/or players who are entering the sport for the first time

Seasonal or multi-sport athletes

For multi-sport athletes looking for seasonal participation or a variety of activities

Less activity each week

For families committed to less than 3 soccer activities each week (training and a match)

CALGARY RANGERS SOCCER CLUB

ACADEMY U13-U20

Technical/Tactical – Physical –
Social/Emotional – Psychological

Calgary Rangers Academy sessions are led by trained, certified technical staff using an age-specific curriculum aligned with our Game Model. Grounded in Long-Term Player Development (LTPD) principles, these sessions provide a structured, long-term approach to help players develop the skills needed to succeed at any level.

Players will be challenged individually and as a team across all four key areas of the game, following the Calgary Rangers Game Model.

PLAYER DEVELOPMENT PROGRAM

Alberta Soccer has fully launched its standards-based Alberta Player Development League (APDL), designed for performance-level players. All league standards are approved by Canada Soccer and include full-year periodized technical training plans, minimum coaching licences, video analysis, and organizational excellence.

The goal of the program is to provide each player with the best possible training and competition environment. Canada Soccer's Regional Excel Director and U15 National Team Head Coach regularly scout the league through scheduled visits.

Our comprehensive periodized training program includes an approved technical plan, licensed coaches, strength and conditioning, mental performance, nutrition, and video analysis to support player development.

[Full APDL Program details can be found here.](#)

ALBERTA PLAYER DEVELOPMENT LEAGUE

The APDL began outdoor play in 2021 with the U15 age group (players born in 2006), introducing one new birth year at the U14 level each year. In 2024, the league became fully operational from U14 to U17. Participation is limited to clubs holding the National Youth Club Licence. This August, the APDL rollout will continue with the 2013 age groups (August 2026). Future expansion will include the 2014 age groups starting in August 2027.

The Canada Soccer National Youth Club Licence recognizes top organizations nationwide, granting them the Canada Soccer Approved Youth Soccer Club endorsement. Licensed clubs meet the highest standards in governance, administration, infrastructure, and technical excellence. They support their PTSO Club Licence and Canada Soccer Pathways and compete in Canada's premier Player Development Program.

WINSPORT PERFORMANCE TRAINING

 WinSPORT™ strives to deliver practical, evidence-based training to enhance youth athlete performance.

WinSport's Performance Training Centre (PTC) houses premier training facilities and multi-sport centres. Its Athlete Development programs are designed for athletes aged 11–17 who are seeking a competitive edge. The Strength & Conditioning team at the PTC will educate all athletes in efficient movement patterns, work capacity, strength, explosive speed, power, and agility to achieve sustainable peak performance.

U13–U17 Tier 1 and APDL players will have WinSport training included in their training packages. Optional packages are available for all teams for an additional fee. Our outdoor soccer-specific testing day will be scheduled in the fall.

CALGARY RANGERS SOCCER CLUB

PAYMENT

At the time of registration, you will be required to pay the base registration fees. Following pre-season and player placement, additional fees for Academy, Skills Centres and Sports Science programs will be required to be paid by November 15th, after this date an additional \$50 late fee will be charged. If you require additional information, please contact the club at dronsky@calgaryrangers.com.

Any Tier 3 teams that are moved to Tier 4 based on CMSA pre-season results will still be required to participate in the Academy program. Any Tier 4 team that wishes to participate in a Tier 3 Academy program will be subject to pay the associated fees.

Any players participating in the Development CMSA Festival League while enrolled in the Development Plus+ Academy program will be required to pay the fee associated with that program.

REGISTRATION

To register for a program, please create an account profile using our [Rangers PowerUp Platform](#).

You only need one account per family. This account is used to register for programs and camps offered by Rangers. If you already have an account and have registered previously, you do not need to create a new account.

Players must be registered to participate in any pre-season age group training sessions or games.

All new players to the club are required to submit Proof of Age in the form of a birth certificate, Alberta Health Care card or passport to: proofofage@calgaryrangers.com.

Registration for Indoor 2026/27 will close on September 12th, 2026.

NATIONAL YOUTH CLUB LICENSE

Calgary Rangers Soccer Club was one of only seven clubs in Alberta, and one of the first 39 clubs nationally, to be awarded the National Youth Club License by Canada Soccer in August of 2019.
