Born and raised in Calgary, Will has deep roots in the local soccer community. He developed his skills as a player across different clubs in the city, including a brief stint with the Rangers. He joins Calgary Rangers after working for the Vancouver Whitecaps FC and as an assistant coach for the University of Lethbridge women's soccer program.

As a certified Learning Facilitator, Will is dedicated to developing coaches and growing the game at all levels. Driven by a commitment to self-improvement, he is currently pursuing his CONCACAF A Diploma and is always eager to expand his coaching education. Passionate about sharing his knowledge and skills, he looks forward to elevating the Calgary Rangers girls' program and contributing to the club's continued growth.

Off the field, he can be found spending time with family, friends, and his dog, Lilo. He also enjoys cooking, discovering new music, and trying his hand at various sports beyond soccer.
