Ehi Itua

Grassroots Coach

Ehi has always loved playing soccer his entire life ever since he was a child growing up in Nigeria with a family and community that was passionate about the sport.

“I have played competitively with Rangers since I was 10 years old and I currently play on the Men’s CUSA U23 team.”

“I have had some amazing mentors and have received amazing coaching at this club and my goal as a coach is to share the invaluable lessons I have gained as a player. I love coaching as it gives me the opportunity to share my love of the game with others and give kids a safe space to have fun.”
