

ACADEMY STAFF

Rasti Diky

Academy Coach

B-Licence

DOC Diploma

Rastislav was born and raised in Czechoslovakia, where he played at a semi-professional level until his late twenties and is a second-generation soccer coach. Rastislav's passion for soccer came from growing up on the pitch, watching and learning from his dad who passionately coached semi-professional teams until his late sixties. Moving to Canada in 2003 after earning a Bachelor's Degree in Education with a Major in Kinesiology from the University of Presov in Slovakia, Rastislav played and coached in Windsor, Ontario before moving to Calgary in 2006. There, he joined the technical staff of Southwest United Soccer Club before joining Calgary Rangers in 2008-2013, while also serving as an assistant coach for U15 Boys Alberta Provincial Select Team. Rastislav's passion for education extends outside of soccer teaching physical education and math since 2008. In 2013 Rastislav became the Technical Director of MSB United for seven years before re-joining Calgary Rangers in 2021 and coaching the boy's 2006 team playing in AYSL while also helping with the club's academy.
