About Us

Welcome to our Community

Calgary Rangers is a community-focused soccer club dedicated to providing a safe environment and creating a positive learning atmosphere for all players.

As a club, it is our responsibility to deliver excellence in the community and allow players to push themselves to their desired level while developing necessary social skills and having the opportunity to meet lifelong friends.

WHY SPONSOR?

- Sponsorship is an excellent way for your company to support children's physical activity and help us make the children of Calgary more active.
 - Soccer is not only the fastest-growing sport in Canada; it is also the most culturally diverse sport.
 - As one of the top five largest clubs in Calgary, our philosophy is to provide a program based on respect for the athletes, coaches, parents, referees and our competition.
 - Calgary Rangers Soccer Club does not support a "win at all costs" mentality. Instead, we are focused on the growth and development of our athletes.
 - We are also one of the fastest-growing clubs in Calgary; since 2012, the Outdoor program has grown by over 60%, and the Indoor program has increased by over 55%.
 - At Calgary Rangers we have approximately 2,600 players, coaches, referees, administrators and volunteers, which include 100 teams which travel across Alberta and Canada multiple times per year.
- Our year-round playing opportunities offer year-round exposure for your organization.
 - More importantly, we are a non-profit organization and all of our profits go back into our programming to benefit our players.

WHAT IS OUR GOAL?

- Improve and renew Rangers gear and equipment available to coaches.
- Keep our programming at a competitive price and offer more value for money.
- Improve and increase the amount and quality of our coaching staff and volunteers.
