WHY SPONSOR?

- Sponsorship is an excellent way for your company to support children's physical activity and help us make the children of Calgary more active.
- Soccer is not only the fastest-growing sport in Canada; it is also the most culturally diverse sport.
- As one of the top five largest clubs in Calgary, our philosophy is to provide a program based on respect for the athletes, coaches, parents, referees and our competition.
- Calgary Rangers Soccer Club does not support a "win at all costs" mentality. Instead, we are focused on the growth and development of our athletes.
- We are also one of the fastest-growing clubs in Calgary; since 2012, the Outdoor program has grown by over 60%.
- At Calgary Rangers we have approximately 2,600 players, coaches, referees, administrators and volunteers.
- Our Home Field will be hosting not only daily games and training sessions but, our Glasgow Rangers FC Summer Camp, Rangers Club Events & more!
- More importantly, we are a non-profit organization and all of our profits go back into our programming to benefit our players.

WHAT IS OUR GOAL?

- To Provide year round training for our Rangers' players and the Calgary community.
- To host yearly tournaments that our players', and other CMSA, Albertan and Canadian Clubs can look forward to travelling to every year.
